

# RETT SYNDROME IN NORDIC LIGHT

STOCKHOLM 19-20 APRIL 2018

Nordic Rett Conference – Research and Practice

The aim of the conference is to present current Nordic research and clinical experiences of importance for individuals with Rett syndrome. There will be plenary and parallel sessions with focus on both research and practice. The conference welcomes everyone with an interest in Rett syndrome; families and assistants, researchers, therapists and other professionals.

The conference is arranged by Center for Rare Diseases – Karolinska University Hospital, National Center for Rett syndrome & related disorders, Ågrenska, and RSIS – Rett syndrome in Sweden. The program is developed in collaboration with Ann-Marie Bisgaard, Kennedy Center, Denmark and Ola Skjeldal, Oslo University, Norway.

The full program will be published at [nationelltcenter.se](http://nationelltcenter.se) and will include presentations within the following four topics: health, motor function, communication/special education and quality of life. Keynotes are:

- Malin Rohdin - Breathing
- Jenny Downs (videolink) - Motor function and activity
- Poul Jennum - Sleep
- Lisbeth Nilsson - Learning

The official language of the conference is English although some of the parallel sessions will be held in Swedish/Danish/Norwegian.
